## Executive Dialogue

*New Groups Forming Now!*

Executive Dialogue is a CenterState CEO member program designed exclusively for business owners, upper management, and company decision makers. Groups of non-competing business owners and/or executives meet to confidentially discuss issues and opportunities that matter most to your business.

- ✓ Peer to peer mentoring and expertise sharing on best business practices, successes and challenges
- ✓ Candid and confidential group problem solving and review of business issues
- ✓ Relevant discussions to improve your business
